Kathleen,

Expect to have an additional cost number today – will let you know.

Thanks,

Gary Miller

**Subject:** San Jacinto work under the USACE multi-site agreement

Regarding the voicemail message you left on Friday, do you have an estimate of what you are going to need to add to the current WAF for San Jacinto? We have been approached by another RPM who is interested in tasking the USACE under the multi-site. I want to be sure we have enough funding obligated on the IA to meet both needs.

Thank you.
